ONLINE GIVING AT WYOMING UMC

An e.service provided by VANCO® Service

DONATE

Wyoming United Methodist Church subscribes to online giving provided by VANCO® Service. This is a secure alternative to tradition giving by check or cash. If you have any questions, please contact the Treasurer at treasurer@wyomingumc.com.

Prospective Donors

If you contribute to the church by check but are currently making other donations, payments or purchases online, I encourage you to look into online giving. These donor-friendly services include one-time donations and setting up automatic donation plans. You can view your giving history, and change your giving preferences privately without any assistance from the church office. Just go to the church website (www.wyomingumc.com/Giving.htm) and click on the Donate button (shown above) to get started.

Current Donors

The online giving page has been updated with a new feature that requires current donors to create a new online profile. To accomplish this, we need your email address. Please contact the Treasurer at treasurer@wyomingumc.com who will work with you to successfully set up your new profile. Your profile will allow you to manage all of your own online donation activity. You will still be able to make one-time donations and set up automatic donation plans, but now you will also be able to log in 24/7 to make changes or view your own donation history.
