(Duration 1 hour unless noted)

"FRIENDS FOR AN HOUR" is a new program we are adding to our ministry for persons willing to spend an hour with one or more individual residents during our programs. Our music changes placid personalities into happy souls reliving memories of their past. This makes them very receptive to the warmth and camaraderie of a new "friend".

We are desirous of adding variety to our show by inviting guest artists. Persons interested in joining us in either capacity please contact me by email [wilmartin@comcast.net](mailto:wilmartin@comcast.net) or by phone 302-736-1291

The reward: A truly uplifting hour of entertainment and companionship. A feeling of personal satisfaction and joy not readily found in the course of one's routine daily activities.
