MEMORIES

Memories is a harmony group spin-off of musicians from "Musical Memories with Wil"

Solo and group programs are presented to Dover area religious, civic, service and social organizations to get their support. Performances have produced increased

participation in that we now have 4 top quality soloists sharing monthly engagements (3 more are currently inactive due to personal conflicts) and one

permanent cookie donor.

5-23-08 Cabaret, Smyrna Opera House, Smyrna

Memories (Wil/Leilani/Shirley)

Our music, for a few precious moments, awakens the brain and changes placid personalities into happy souls reliving joyful moments of their past.

What an opportunity for compassionate individuals to take advantage of this awakening, to show that there are friends who care to share this happiness.

We are inviting any organization (or committee, class, or individual therein) to visit any program with us.

The reward:

A truly uplifting hour of entertainment and companionship.

A feeling of personal satisfaction and joy not readily found in the course of one's routine daily activities.
